

Sweet Melissa Cake Tasting Contract

Thank you for considering us as your cake provider for your special day! We are available for Tastings on Sundays only from 11am-4pm. Melissa hosts the tastings by herself, so that you receive a personal one-on-one experience. She is also hands on with ALL cakes that we make every day.

Please let us know what date works for you, and if it is available, we will let you know what times there are available. Wedding tastings are for weddings that will be ordering a cake of **80 servings or more**, and we do not offer tastings for wedding cupcakes. We do carry cupcakes in store daily if you would like to try what we have to offer! We can also schedule a more *casual consult* (no charge) vs. a full tasting, on a weekday for smaller weddings or weddings that would like cupcakes instead. *NO tastings or consults are available on Saturdays.*

Wedding Tastings are \$45, and if you book your wedding, you will receive a \$25 credit towards your order.
A contract must be signed, and deposit must be made within three days of the initial tasting for this to apply.

Please keep in mind that delivery and set up are NOT included in cake pricing. We would be happy to review this with you when we meet!
